*The Standard of Excellence for Over 100 Years*

## LABORATORY ANALYST III

Riverside, CA

Date Posted: May 2018

Babcock Laboratories, Inc. is seeking a senior-level Laboratory Analyst responsible for the preparation, analysis, and method development of environmental samples. The shift for this full-time position is Monday—Friday from 8am—5pm.

### The Right Fit

If the following statements describe you, keep reading about this opportunity to join our team:

- I pride myself on my ability to honor commitments, meet deadlines, and be responsive to the needs of others.
- I am reliable and always put forth my best effort.
- I enjoy cultivating meaningful relationships with coworkers.
- I endeavor to always do the right thing.

### The Ideal Candidate

- Is detail-oriented and thorough
- Quickly identifies problems and utilizes appropriate resources to find solutions
- Can work both independently and collaboratively with other team members
- Has excellent listening, critical thinking, time management, and communication skills
- Enjoys working in a fast-paced environment and welcomes personal development opportunities

In addition to pay and [benefits](#), Babcock Labs is an employee-owned company and employee owners are rewarded for long and loyal service to the Company through stock ownership opportunities. [Learn more.](#)

### Duties and Responsibilities

- Prepare and analyze samples as assigned in accordance with Standard Operating Procedures (SOPs)
- Handle a variety of sample matrices and chemicals on a daily basis
- Set up and maintain instrumentation and equipment for analysis
- Troubleshoot analytical challenges including sample matrix interference, instrument malfunction, and quality control failures
- Perform method development
- Follow specified Data Review and Validation processes
- Meet regulatory and project specific quality control and turn-around times
- Follow all safety policies and procedures to ensure safe working conditions

### Requirements

- Chemistry, Biology, or other related science degree (BA or BS)
- Minimum of seven (7) years of laboratory experience
- Operational experience in GC, GC/MS, LC, LC/MS, LC/MS/MS method development, and instrument trouble shooting
- Computer literacy (Word, Publisher, Excel, Outlook, LIMS, etc.)

**Please Note:** Babcock Laboratories, Inc. is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color religion, sex, including sexual orientation and gender identity, national origin, disability, protected Veteran Status, or any other characteristic protected by applicable federal, state, or local law.

Rate Contingent on Experience

### About Us
